Porches/Stairs Clearing

This is a reminder that even though Eddy, Maintenance Staff, does clear leaves off all the front porches and side entrances steps, it is also every member's responsibility to do so for their buildings. Please ensure that leaves are not accumulating so the steps are clear and safe for all. Brooms are in each hallway of the buildings.

Winter Preparation

Please remove all furniture and other items from front porches and common areas between buildings to allow Staff easy access for clearing of snow.

Radiators/Heat

Please do not attempt to bleed radiators in your unit yourself. If a radiator(s) have no heat – let Eddy know and do not forget to fill out a work order.

Bikes

If you wish to store your bicycle for the winter, please contact Eddy, Maintenance Staff, to open the Bike Room (bldg. 24) for you. When Eddy is not on-site, you can contact Lorraine at bldg. 25 (647-400-3606) until 6 pm only who also can let you in to the Bike Room.
